

# 2019 Transportation Construction Projects

With more than 30 major transportation projects underway in 2019, we're keeping drivers, cyclists and pedestrians moving in all quadrants of our city. With a heavy emphasis on connectivity, traffic flow, safety and improving our economy, we're building and upgrading infrastructure to manage traffic better and improve goods movement, transit reliability and pathway connections. Yes, there's a lot of work going on this year, but we're working closely with communities and businesses to ensure that Calgarians can continue to get where they need to, while improving our city for years to come. **Here's a look at what we're working on this year:**
